18<sup>th</sup> Club Diamond Anniversary Dinner from 2020 at the Deanwater speaker Kathleen Williams.

22<sup>nd</sup> Club Workshop (to be confirmed)

## Information

During the committee meeting on Monday this week we worked on finalising the 2022/23 program. There will be the usual 9 demonstrators this year, at least 1 trip hopefully more, a program of workshops starting in March lead by members of the committee, a coffee morning in August and hopefully a Garden Party in late June. All this is in addition to the formal Anniversary Celebration Meal taking place in May at The Deanwater.

I hope that when we meet again in March the way forward will be positive and we all feel safer and happier moving towards the warmer weather.
