Information

Workshops

We intend to run a series of 3 workshops in September, October and November. The same person will run all 3 to help with continuity. Unfortunately dates haven't yet been set please sign up tonight to get information sent to you

Car Park

Unfortunately, there have been some incidents in the car park earlier in summer. One of our members has been left with expensive repairs to their car. Could I ask that if an accident occurs then either place your name and address on the car involved or if you haven't got a pen and paper then we will supply or come and report to Chris M so we can locate the owner of the car involved. Thank you
