Information

Bring your Daughter to Flower Club On May 5th it’s National Flower Arrangers Day. As our next club meeting is close to the date (10th May) we’re using this theme as a way to encourage some new faces to the club.

As you have a keen interest in floral design it would be wonderful if you could inspire the next generation to get involved.

Invite:....

your daughters or sons

your daughters / sons in law

your nieces, nephews

a young person from church

anyone who might enjoy learning more about flowers to May club night and as an added incentive we’ll waive their guest admission; they can come along for free.

Our Demonstrator Karen Scofield’s theme is “Seasons to Inspire” so it promises to be memorable.

So, maybe through your love of flowers, you can ignite a spark of interest in those who are new to the craft and help to increase new members to the club or to our workshops!
