Sales Table

If you need anything tonight, please ask as we are concentrating on plants sales, but we can get anything you want out if needed.

Although there are some classic Flower Arranging books available for a donation near the stage.

Photographs

Demonstrators will often be happy with people taking photographs however please don't put these photos on Social Media without permission. As you can imagine it is hard work to create a demonstration and if it is put onto Social Media after their first demonstration of the year it spoils it for everyone else subsequently. Usually, they are happy with 1 or a part of 1 arrangement there but please ask first.
