Workshops

We are hoping to put on a good variety of workshops next year some open and some for club members only. Watch this space.

Your Club

Please think whether you'd like to join the committee as we really need to consider the future of our club. We really appreciate all the help and support on the night but we need to have some more people on the committee who will be able to take on the decision-making roles in the future. Please think how you could use your special skills to support and grow your club.
