11th The demonstrator is Arnaud Metairie and his title is "Floral Fantasy". Please save this date it will be a very special demonstration. Members' tickets are at the discounted rate of £20 and on sale tonight on the Treasurer's table.

Information

Plant Sale

This year we are unable to provide our usual array of bedding plants however Heather has volunteered to go to the auction and bid for geraniums as these are particularly popular with club members. Please sign up tonight if you'd like to purchase geraniums.

We will also run a plant stall at the May meeting so bring along your spare plants and money to buy some new to you.

Workshops

We are hoping to put on a good variety of workshops this year some open and some for club members only. Watch this space.

Your Club

Please think whether you'd like to join the committee as we really need to consider the future of our club. We really appreciate all the help and support on the night but we need to have some more people on the committee who will be able to take on the decision-making roles in the future. Please think how you could use your special skills to support and grow your club. There is a "Refresher Day" run by Area on Thursday 7th May 10am to 1pm looking at the roles of Secretary, Treasurer, Chairman, Secretary and Program Secretary. If you think you'd like to explore any these roles then please talk to Chris M tonight or ring 01625 421737 in the next few days please.
