November

11th Club meeting. The demonstrator is Vanessa Wellock with "Winter Wonderland"

December

9th Christmas Social evening

Information

Garden Party

Sadly we have made the decision to cancel this year's garden party at Margaret Delany's home. The extreme weather we've had this summer has been really hard on gardens and gardeners. To go from working so hard to keep the garden alive to being overwhelmed by rain has been particularly difficult for Margaret and so she has instead offered to host the Garden Party next year. We did say if we were rained off then the ticket money would be donated to Kidneys for Life in respect for Chris O'Hara's challenges with dialysis. If you'd like to add to the £60 already collected, then please add your donation to the box on the stage.

Christmas Cards, Calendars & Diaries

NAFAS is not selling Christmas Cards this year however the 2027 Calendar and Diary are on sale. I will send a board round tonight for orders. The price this year should be under £5.50 and the diary is Bright Pink. I hope to collect at the Area AGM 1st October.
